WILLIAM JEFFERY PRIEST)

PLEA AGREEMENT

William Jeffery Priest, the Defendant, and his attorney, Doyle L. Coats, have been notified that:

1. Defendants Obligations

If the Defendant waives indictment and tenders a plea of guilty to a one count criminal information to be filed in this case, charging him with the felony crime of *Conspiracy to Deprive Rights Under Color of Law*, in violation of 18 U.S.C. § 241, and if he fully cooperates with federal and state law enforcement, as well as, the Criminal Section of the U.S. Department of Justice, Civil Rights Division and the United States Attorney for the Southern District of Mississippi ("Government") and with the District Attorney for the Second Circuit Court District of Mississippi ("District Attorney"), as set out in paragraphs 9 and 10.

2. Government's Obligations

- a) Thereafter, the Government will recommend that the Court: (i) accept the Defendant's plea of guilty; (ii) recommend that the Court impose a sentence within the lower 25% of the applicable Sentencing Guidelines range as computed by the Court; and (iii) inform the United States Probation Office and the Court of this Agreement, the nature and extent of Defendant's activities with respect to this case and all other activities of Defendant which the Government deems relevant to sentencing, including the nature and extent of Defendant's cooperation with the Government.
- b) The Defendant has timely notified the Government of his intent to enter a plea of guilty. If the Defendant qualifies for a decrease under U.S.S.G. § 3E1.1(a), and if the Defendant's offense level determined prior to the operation of U.S.S.G. § 3E1.1(a) is a level 16 or greater, the Government will move for an additional one-level decrease in the guidelines in accordance with U.S.S.G. § 3E1.1(b).
- c) Should the Government determine that Defendant has provided substantial assistance to law enforcement officials in an investigation or prosecution, and has fully complied with the understandings specified in this Agreement, then the Government may submit a motion pursuant to United States Sentencing Guidelines ("U.S.S.G.") § 5K1.1 (and Title 18, United States Code, Section 3553(e), if applicable), requesting that the Court sentence Defendant in light of the factors set

forth in U.S.S.G. § 5K1.1(a)(1)-(5). The determination as to whether Defendant has provided such substantial assistance shall rest solely with the Government. Should any investigation in which Defendant offers information be incomplete at the time of his sentencing, the Government may, in lieu of a downward departure at sentencing, move for a reduction in sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure at such time as the cooperation is complete. It is understood that, even if such a motion is filed, the sentence to be imposed on Defendant remains within the sole discretion of the Court.

3. Count of Conviction

It is understood that, as of the date of this Plea Agreement, the Defendant and his attorney have indicated that the Defendant desires to plead guilty to Count One of the Information.

4. Sentence

The Defendant understands that the penalty for the offense charged in Count 1 of the Information, charging a violation of Title 18, United States Code, Section 241, is a term of imprisonment not to exceed ten (10) years; a term of supervised release of not less than three (3) years; and a fine of up to \$250,000. The Defendant further understands that a term of supervised release will be imposed and that the term will be in addition to any prison sentence he receives; further, if any of the terms of supervised release are violated, the Defendant can be returned to prison for the entire term of supervised release, without credit for any time already served on the term of supervised release prior to the Defendant's violation of those conditions. It is further understood that the Court may require the Defendant to pay restitution in this matter in accordance with applicable law. The Defendant further understands that he is liable to make restitution for the full amount of the loss determined by the Court to constitute relevant conduct, which is not limited to the count of conviction.

5. Stipulation

The Defendant will plead guilty because he is in fact guilty of the charge contained in Count One of the Information. In pleading guilty, the Defendant admits and stipulates to the following facts that establish his guilt beyond a reasonable doubt:

William Jeffery Priest is a Harrison County Sheriff's Department Corrections Officer who worked the Harrison County Adult Detention Center ("Jail"). Priest worked at the Jail from on or about August 1, 2004, through the present.

While he was employed at the Jail and acting under color of law, Priest conspired with other employees at the Jail, also acting under color of law, to injure, threaten, and intimidate inmates at the Jail by willfully using excessive and unnecessary physical force against those inmates. The conspiracy began on a date uncertain before August 1, 2004, and continued through at least January 28, 2006. Priest did not participate in the conspiracy after January 28, 2006.

Priest and his co-conspirators engaged in a pattern of conduct that included, but was not limited to, Priest and other officers assaulting inmates, knowing that the physical force was unnecessary, unreasonable, and unjustified.

During the conspiracy, Priest participated in numerous assaults against inmates. Priest observed co-conspirators and other corrections officers participate in numerous additional assaults against inmates at the Jail. Priest also heard co-conspirators and other corrections officers boasting about their participation in willful and intentional uses of excessive force.

In addition, Priest conspired with other officers to conceal these instances of physical abuse of inmates. Priest, co-conspirators, and other corrections officers attempted to, and did in fact, conceal their abusive conduct by failing to document their excessive uses of force, and by giving false statements and writing false, vague, and misleading reports.

The information contained in this Stipulation is provided solely to assist the Court in determining whether a factual basis exists for the Defendant's plea of guilty. The Stipulation does not contain every fact known to the Defendant and to the Government concerning the Defendant's and/or other's involvement in the offense conduct and other matters.

6. Forfeitures

None.

7. This Plea Agreement does NOT Bind the Court

It is further understood that the Court, in accord with the principles of Rules 11(c)(1)(B) of the Federal Rules of Criminal Procedure, is not required to accept the recommendation of the Government, but may sentence the Defendant to the maximum fine and imprisonment as provided by law, and the Government has no other obligation in regard to sentencing than as stated in paragraph 2.

8. Determination of Sentencing Guidelines

It is further understood that the United States Sentencing Guidelines are advisory and that the Defendant and the Defendant's attorney have discussed the fact that the Court must review the Guidelines in reaching a decision as to the appropriate sentence in this case, but the Court may impose a sentence other than that indicated by the Guidelines if the Court finds that another sentence would be more appropriate. The Defendant acknowledges that he is not relying upon anyone's calculation of a particular Guidelines range for the offense to which he is entering his plea, and recognizes that the Court will make the final determination of the sentence and that he may be sentenced up to the maximum penalties set forth above.

9. Willingness to Cooperate

It is further understood and specifically acknowledged by the Defendant that the consideration for the action taken by the Government herein is the Defendant's representation, by execution of this Plea Agreement and otherwise, that the Defendant both can and will carry out the terms and conditions contained herein.

10. Terms of Cooperation

It is further understood that full cooperation referred to in paragraph 1 includes:

- a) immediate and truthful disclosure of all matters involved in this charge to the appropriate federal and state agents;
- b) truthful and complete disclosure of other matters involving possible violations of federal law to the appropriate federal or state agency as directed by the Government;
- c) truthful testimony at any trial involving any matter arising from these charges, in federal or state court;
- d) truthful testimony before any Grand Jury or at any trial in this or any other district on any matter about which the Defendant has knowledge and which is deemed pertinent to the Government;
- e) full and truthful cooperation with the Government, with any law enforcement agency designated by the Government, and/or the District Attorney's office;
- f) attendance at all meetings at which the U.S. Attorney or the District Attorney requests his presence;
- g) provision to the Government, upon request, of any document, record, or other tangible evidence relating to matters about which the Government, any designated law enforcement agency, and/or the District Attorney inquires of him; and
- h) an obligation on the part of the Defendant to commit no further crimes whatsoever.

11. Limits on Further Prosecution

It is further understood that the Government and the District Attorney will seek no further criminal prosecution of the Defendant for any acts or conduct by the Defendant as of the date of this Agreement, arising out of any event covered by the Information referenced in paragraph 1, if the Defendant voluntarily, truthfully, and completely discloses all information and knowledge that the Defendant possesses. Should the Defendant not voluntarily and completely disclose, then as to that matter, the Government and/or the District Attorney is free to seek prosecution of the Defendant. This Plea Agreement does not provide any protection against prosecution for any crimes except as set forth above.

12. Breach of this Agreement

It is further understood that should the Defendant fail or refuse as to any part of this Plea Agreement or commit any other crimes, the representations by the United States or the District Attorney in paragraphs 2 and 11 above are rescinded, and the Defendant's breach shall be considered sufficient grounds for the pursuit of any prosecutions that the Government or the District Attorney has not sought as a result of this Plea Agreement, including any such prosecutions that might have been dismissed or otherwise barred by the Double Jeopardy Clause.

If the Defendant fails to fulfill his obligations under this Plea Agreement, the United States may seek release from any or all obligations under this Plea Agreement. If the Defendant fails to fulfill his obligations under this Plea Agreement, the Defendant shall assert no claim under the United States Constitution, any statute, Rule 410 of the Federal Rules of Evidence, Rule 11(e)(6) of the Federal Rules of Criminal Procedure, or any other federal rule, that the Defendant's statements pursuant to this Plea Agreement or any leads derived therefore, should be suppressed or are inadmissible. Whether the Defendant has breached any provision of this Plea Agreement, if

contested by the parties, shall be determined by the Court in an appropriate proceeding at which the Defendant's disclosures and documentary evidence shall be admissible and at which the United States shall be required to establish a breach of the Plea Agreement by a preponderance of the evidence.

13. Binding Effect on this Federal District or Upon the District Attorney

It is further understood that this Plea Agreement does not bind any other state or local prosecuting authorities or any other federal district, except as otherwise provided herein; further, this Plea Agreement does not bind the Attorney General of the United States in regard to any matter, civil or criminal, involving the tax statutes of the United States.

14. Financial Obligations

It is further understood and specifically agreed to by the Defendant that, at the time of the execution of this document or at the time his plea is entered, the Defendant will then and there pay over the special assessment of \$100.00 per count required by Title 18, United States Code, § 3013, to the Office of the United States District Court Clerk; the Defendant shall thereafter produce proof of payment to the Government or to the U.S. Probation Office. If the Defendant is adjudged to be indigent, payment of the special assessment at the time of the plea is waived, but the Defendant agrees that it may be made payable first from any funds available to the Defendant while he is incarcerated. The Defendant understands and agrees that, pursuant to Title 18, United States Code, § 3613, whatever monetary penalties are imposed by the Court will be due and payable immediately and subject to immediate enforcement by the United States as provided in § 3613. Furthermore, the Defendant agrees to provide all of his financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination. If the Court imposes a schedule of payments, the Defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation upon the methods, available to the United States to enforce the judgment. If the Defendant is incarcerated, the Defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program regardless of whether the Court specifically directs his participation or imposes a schedule of payments.

15. Further Crimes

It is further understood that should the Defendant commit any further crimes, this Plea Agreement shall be deemed violated and he shall be subject to prosecution for any federal or state criminal violation of which the Government has knowledge, and that any information provided by him may be used against him.

16. Waivers

The Defendant, knowing and understanding all of the matters aforesaid, including the maximum possible penalty that could be imposed, and being advised of his rights to remain silent, to a trial by jury, to subpoena witnesses on his own behalf, to confront any witnesses against him, and to appeal his conviction and sentence, in exchange for the recommendations and concessions made by the Government or the District Attorney in this Plea Agreement, hereby expressly waives the above rights and the following:

- a. The right to appeal the conviction and sentence imposed in this case, or the manner in which that sentence was imposed, on the grounds set forth in Title 18, United States Code, § 3742, on any ground, provided the sentence does not exceed the maximum sentence allowed by the statute; and
- b. The right to contest the conviction and sentence or the manner in which the sentence was imposed in any post-conviction proceeding, including but not limited to a motion brought under Title 28, United States Code, § 2255, and any type of proceeding claiming to double jeopardy or excessive penalty as a result of any forfeiture ordered or to be ordered in this case; and
- c. Any right to seek attorney's fees and/or costs under the *Hyde Amendment*, as codified at Title 18, United States Code, § 306A, and the Defendant acknowledges that the Government's position in the instant prosecution is not merely frivolous, vexations, or undertaken in bad faith; and
- d. All rights, whether asserted directly or through a representative, to request or receive any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought by him or his representative under the Freedom of Information Act, set forth at Title 5, United States Code, § 552, or the Privacy Act of 1974, at Title 5, United States Code, § 552a.
- e. The Defendant further acknowledges and agrees that any factual issues regarding his sentencing will be resolved by the sentencing judge under a preponderance of the evidence standard, and the Defendant waives any right to a jury determination of these sentencing issues. The Defendant further agrees that, in making its sentencing decision, the District Court may consider any relevant evidence without regard to its admissibility under the Rules of Evidence applicable at trial.

The Defendant waives these rights in exchange for the recommendation and concessions made by the Government and the District Attorney in this Plea Agreement.

17. Future Contact with the Defendant

The Defendant and his attorney acknowledge that if forfeiture, restitution, a fine, or special assessment, or any combination of these is ordered in the Defendant's case, that this will require regular contact with the Defendant during any period of incarceration, probation, and supervised release. Further, the Defendant and his attorney understand that it is essential that defense counsel contact the Financial Litigation Unit of the Government immediately after sentencing in this case to confirm in writing whether defense counsel will continue to represent the Defendant in this case and in matters involving the collection of the financial obligations imposed by the Court. If the Government does not receive any written acknowledgment from defense counsel within two weeks of entry of judgment in this case, the Government will presume that defense counsel no longer represents the Defendant and the Financial Litigation Unit will communicate directly with the Defendant regarding collection of the financial obligations imposed by the Court. The Defendant

and his attorney understand and agree that such direct contact with the Defendant shall not be deemed an improper *ex parte* contact with the Defendant if defense counsel fails to notify the Government of any continued legal representation within two weeks after the date of entry of the judgment in this case.

18. Complete Agreement

It is further understood that this Plea Agreement completely reflects all promises, agreements, and conditions made by and among the Government, the District Attorney, and the Defendant.

The Defendant and his Attorney declare that the terms of this Plea Agreement have been:

1. READ TO OR BY HIM;
2. EXPLAINED TO HIM BY HIS ATTORNEY;
3. UNDERSTOOD BY HIM;
4. VOLUNTARILY ACCEPTED BY HIM; and
5. AGREED TO AND ACCEPTED BY HIM.

PLEA AGREEMENT

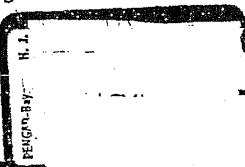

Morgan Lee Thompson, the Defendant, and his attorney, James L. Farrior, III, have been notified that:

1. Defendant's Obligations

If the Defendant waives indictment and tenders a plea of guilty to a one count criminal information to be filed in this case, charging him with the felony crime of *Conspiracy to Deprive Rights Under Color of Law*, in violation of 18 U.S.C. § 241, and if he fully cooperates with federal and state law enforcement, as well as, the Criminal Section of the U.S. Department of Justice, Civil Rights Division and the United States Attorney for the Southern District of Mississippi ("Government") and with the District Attorney for the Second Circuit Court District of Mississippi ("District Attorney"), as set out in paragraphs 9 and 10.

§ 5K1.1 (and Title 18, United States Code, Section 3553(e), if applicable), requesting that the Court sentence Defendant in light of the factors set forth in U.S.S.G. § 5K1.1(a)(1)-(5). The determination as to whether Defendant has provided such substantial assistance shall rest solely with the Government. Should any investigation in which Defendant offers information be incomplete at the time of his sentencing, the Government may, in lieu of a downward departure at sentencing, move for a reduction in sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure at such time as the cooperation is complete. It is understood that, even if such a motion is filed, the sentence to be imposed on Defendant remains within the sole discretion of the Court.

3. Count of Conviction

It is understood that, as of the date of this Plea Agreement, the Defendant and his attorney have indicated that the Defendant desires to plead guilty to Count One of the Information.

4. Sentence

The Defendant understands that the penalty for the offense charged in Count 1 of the Information, charging a violation of Title 18, United States Code, Section 241, is a term of imprisonment not to exceed ten (10) years; a term of supervised release of not less than three (3) years; and a fine of up to \$250,000. The Defendant further understands that a term of supervised release will be imposed and that the term will be in addition to any prison sentence he receives; further, if any of the terms of supervised release are violated, the Defendant can be returned to prison for the entire term of supervised release, without credit for any time already served on the term of supervised release prior to the Defendant's violation of those conditions. It is further understood that the Court may require the Defendant to pay restitution in this matter in accordance with applicable law. The Defendant further understands that he is liable to make restitution for the full amount of the loss determined by the Court to constitute relevant conduct, which is not limited to the count of conviction.

5. Stipulation

The Defendant will plead guilty because he is in fact guilty of the charge contained in Count One of the Information. In pleading guilty, the Defendant admits and stipulates to the following facts that establish his guilt beyond a reasonable doubt:

Morgan Lee Thompson is a former Harrison County Sheriff's Department Corrections Officer who worked the Harrison County Adult Detention Center ("Jail"). Thompson worked at the Jail from on or about May 17, 2004, through on or about September 25, 2006. For most of that time, Thompson was assigned to the Jail's Booking area.

While he was employed at the Jail and acting under color of law, Thompson conspired with other employees at the Jail, also acting under color of law, to injure, threaten, and intimidate inmates

at the Jail by willfully using excessive and unnecessary physical force against those inmates. The conspiracy began on a date uncertain before May 17, 2004, and continued through at least August 28, 2006.

Thompson and his co-conspirators engaged in a pattern of conduct that included, but was not limited to, Thompson and other officers striking, punching, kicking, choking, and otherwise assaulting inmates, knowing that the physical force was unnecessary, unreasonable, and unjustified.

During the conspiracy, Thompson participated in over one hundred assaults against inmates. Thompson observed co-conspirators participate in over one hundred additional assaults against inmates at the Jail. Thompson also heard co-conspirators boasting about their participation in willful and intentional uses of excessive force. The physical abuse of the inmates usually occurred in the Booking area, the holding cells, the Booking shower, the "B" hallway, the exercise yard, or in the housing blocks.

In addition, Thompson conspired with other officers to conceal these instances of physical abuse of inmates. Thompson and his co-conspirators attempted to, and did in fact, conceal their abusive conduct by failing to document their excessive uses of force, and by giving false statements and writing false, vague, and misleading reports.

The conspiracy included the February 4, 2006, assault committed by officers against Jessie Lee Williams, Jr. ("Williams"), an inmate who died after his interaction with the officers. During the Williams assault, Corrections Officers Ryan Michael Teel and Regina Lynn Rhodes committed numerous physical acts that were not justified uses of force. Those acts included, but were not limited to, Teel striking, punching, choking, and otherwise assaulting Williams in the head, neck and other areas of Williams' body. The assault by Teel and Rhodes occurred while Williams was restrained and the circumstances did not justify any use of force. Thompson assisted Teel by helping to restrain Williams during part of the unjustified assault. Williams lapsed into unconsciousness shortly after those acts.

In furtherance of the conspiracy, Thompson wrote and submitted a false, misleading, and intentionally vague report concerning the Williams incident. On or about February 8, 2006, Mississippi Highway Patrol agents interviewed Thompson. During that interview, and in furtherance of the conspiracy, Thompson provided false, misleading, and intentionally vague information concerning the Williams incident. On or about June 14, 2006, Federal Bureau of Investigation agents interviewed Thompson. During that interview, and in furtherance of the conspiracy, Thompson provided false, misleading, and intentionally vague information concerning the Williams incident, as well as other acts that took place during the conspiracy.

The Stipulation does not contain every fact known to the Defendant and to the Government concerning the Defendant's and/or other's involvement in the offense conduct and other matters.

None.

7. This Plea Agreement does NOT Bind the Court

It is further understood that the Court, in accord with the principles of Rules 11(c)(1)(B) of the Federal Rules of Criminal Procedure, is not required to accept the recommendation of the Government, but may sentence the Defendant to the maximum fine and imprisonment as provided by law, and the Government has no other obligation in regard to sentencing than as stated in paragraph 2.

8. Determination of Sentencing Guidelines

It is further understood that the United States Sentencing Guidelines are advisory and that the Defendant and the Defendant's attorney have discussed the fact that the Court must review the Guidelines in reaching a decision as to the appropriate sentence in this case, but the Court may impose a sentence other than that indicated by the Guidelines if the Court finds that another sentence would be more appropriate. The Defendant acknowledges that he is not relying upon anyone's calculation of a particular Guidelines range for the offense to which he is entering his plea, and recognizes that the Court will make the final determination of the sentence and that he may be sentenced up to the maximum penalties set forth above.

9. Willingness to Cooperate

It is further understood and specifically acknowledged by the Defendant that the consideration for the action taken by the Government herein is the Defendant's representation, by execution of this Plea Agreement and otherwise, that the Defendant both can and will carry out the terms and conditions contained herein.

10. Terms of Cooperation

It is further understood that full cooperation referred to in paragraph 1 includes:

- a) immediate and truthful disclosure of all matters involved in this charge to the appropriate federal and state agents;
- b) truthful and complete disclosure of other matters involving possible violations of federal law to the appropriate federal or state agency as directed by the Government;
- c) truthful testimony at any trial involving any matter arising from these charges, in federal or state court;
- d) truthful testimony before any Grand Jury or at any trial in this or any other district on any matter about which the Defendant has knowledge and which is deemed pertinent to the Government;
- e) full and truthful cooperation with the Government, with any law enforcement agency designated by the Government, and/or the District Attorney's office;

- f) attendance at all meetings at which the U.S. Attorney or the District Attorney requests his presence;
- (g) provision to the Government, upon request, of any document, record, or other tangible evidence relating to matters about which the Government, any designated law enforcement agency, and/or the District Attorney inquires of him; and
- (h) an obligation on the part of the Defendant to commit no further crimes whatsoever.

11. Limits on Further Prosecution

It is further understood that the Government and the District Attorney will seek no further criminal prosecution of the Defendant for any acts or conduct by the Defendant as of the date of this Agreement, arising out of any event covered by the Information referenced in paragraph 1, if the Defendant voluntarily, truthfully, and completely discloses all information and knowledge that the Defendant possesses. Should the Defendant not voluntarily and completely disclose, then as to that matter, the Government and/or the District Attorney is free to seek prosecution of the Defendant. This Plea Agreement does not provide any protection against prosecution for any crimes except as set forth above.

12. Breach of this Agreement

It is further understood that should the Defendant fail or refuse as to any part of this Plea Agreement or commit any other crimes, the representations by the United States or the District Attorney in paragraphs 2 and 11 above are rescinded, and the Defendant's breach shall be considered sufficient grounds for the pursuit of any prosecutions that the Government or the District Attorney has not sought as a result of this Plea Agreement, including any such prosecutions that might have been dismissed or otherwise barred by the Double Jeopardy Clause.

If the Defendant fails to fulfill his obligations under this Plea Agreement, the United States may seek release from any or all obligations under this Plea Agreement. If the Defendant fails to fulfill his obligations under this Plea Agreement, the Defendant shall assert no claim under the United States Constitution, any statute, Rule 410 of the Federal Rules of Evidence, Rule 11(e)(6) of the Federal Rules of Criminal Procedure, or any other federal rule, that the Defendant's statements pursuant to this Plea Agreement or any leads derived therefore, should be suppressed or are inadmissible. Whether the Defendant has breached any provision of this Plea Agreement, if contested by the parties, shall be determined by the Court in an appropriate proceeding at which the Defendant's disclosures and documentary evidence shall be admissible and at which the United States shall be required to establish a breach of the Plea Agreement by a preponderance of the evidence.

13. Binding Effect on this Federal District or Upon the District Attorney

It is further understood that this Plea Agreement does not bind any other state or local prosecuting authorities or any other federal district, except as otherwise provided herein; further, this agreement does not bind the Attorney General of the United States in regard to any matter, civil or

criminal, involving the tax statutes of the United States.

14. Financial Obligations

It is further understood and specifically agreed to by the Defendant that, at the time of the execution of this document or at the time his plea is entered, the Defendant will then and there pay over the special assessment of \$100.00 per count required by Title 18, United States Code, § 3013, to the Office of the United States District Court Clerk; the Defendant shall thereafter produce proof of payment to the Government or to the U.S. Probation Office. If the Defendant is adjudged to be indigent, payment of the special assessment at the time of the plea is waived, but the Defendant agrees that it may be made payable first from any funds available to the Defendant while he is incarcerated. The Defendant understands and agrees that, pursuant to Title 18, United States Code, § 3613, whatever monetary penalties are imposed by the Court will be due and payable immediately and subject to immediate enforcement by the United States as provided in § 3613. Furthermore, the Defendant agrees to provide all of his financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination. If the Court imposes a schedule of payments, the Defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation upon the methods, available to the United States to enforce the judgment. If the Defendant is incarcerated, the Defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program regardless of whether the Court specifically directs his participation or imposes a schedule of payments.

15. Further Crimes

It is further understood that should the Defendant commit any further crimes, this Plea Agreement shall be deemed violated and he shall be subject to prosecution for any federal or state criminal violation of which the Government has knowledge, and that any information provided by him may be used against him.

16. Waivers

The Defendant, knowing and understanding all of the matters aforesaid, including the maximum possible penalty that could be imposed, and being advised of his rights to remain silent, to a trial by jury, to subpoena witnesses on his own behalf, to confront any witnesses against him, and to appeal his conviction and sentence, in exchange for the recommendations and concessions made by the Government or the District Attorney in this Plea Agreement, hereby expressly waives the above rights and the following:

- a. The right to appeal the conviction and sentence imposed in this case, or the manner in which that sentence was imposed, on the grounds set forth in Title 18, United States Code, § 3742, on any ground whatsoever; and
- b. The right to contest the conviction and sentence or the manner in which the sentence

was imposed in any post-conviction proceeding, including but not limited to a motion brought under Title 28, United States Code, § 2255, and any type of proceeding claiming to double jeopardy or excessive penalty as a result of any forfeiture ordered or to be ordered in this case; and

- c. Any right to seek attorney's fees and/or costs under the *Hyde Amendment*, as codified at Title 18, United States Code, § 306A, and the Defendant acknowledges that the Government's position in the instant prosecution is not merely frivolous, vexations, or undertaken in bad faith; and
- d. All rights, whether asserted directly or through a representative, to request or receive any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought by him or his representative under the Freedom of Information Act, set forth at Title 5, United States Code, § 552, or the Privacy Act of 1974, at Title 5, United States Code, § 552a.
- e. The Defendant further acknowledges and agrees that any factual issues regarding his sentencing will be resolved by the sentencing judge under a preponderance of the evidence standard, and the Defendant waives any right to a jury determination of these sentencing issues. The Defendant further agrees that, in making its sentencing decision, the District Court may consider any relevant evidence without regard to its admissibility under the Rules of Evidence applicable at trial.

The Defendant waives these rights in exchange for the recommendation and concessions made by the Government and the District Attorney in this Plea Agreement.

17. Future Contact with the Defendant

The Defendant and his attorney acknowledge that if forfeiture, restitution, a fine, or special assessment, or any combination of these is ordered in the Defendant's case, that this will require regular contact with the Defendant during any period of incarceration, probation, and supervised release. Further, the Defendant and his attorney understand that it is essential that defense counsel contact the Financial Litigation Unit of the Government immediately after sentencing in this case to confirm in writing whether defense counsel will continue to represent the Defendant in this case and in matters involving the collection of the financial obligations imposed by the Court. If the Government does not receive any written acknowledgment from defense counsel within two weeks of entry of judgment in this case, the Government will presume that defense counsel no longer represents the Defendant and the Financial Litigation Unit will communicate directly with the Defendant regarding collection of the financial obligations imposed by the Court. The Defendant and his attorney understand and agree that such direct contact with the Defendant shall not be deemed an improper *ex parte* contact with the Defendant if defense counsel fails to notify the Government of any continued legal representation within two weeks after the date of entry of the judgment in this case.

18. Complete Agreement

It is further understood that this Plea Agreement completely reflects all promises, agreements, and conditions made by and among the Government, the District Attorney, and the Defendant.

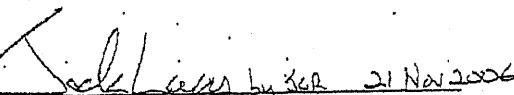

The Defendant and his Attorney of record declare that the terms of this Plea Agreement have been:

PLEA AGREEMENT

Karl Walter Stolze, the Defendant, and his attorney, Arthur D. Carlisle, have been notified that:

1. Defendants Obligations

If the Defendant waives indictment and tenders a plea of guilty to a one count criminal information to be filed in this case, charging him with the felony crime of *Conspiracy to Deprive Rights Under Color of Law*, in violation of 18 U.S.C. § 241; and if he fully cooperates with federal and state law enforcement, as well as, the Criminal Section of the United States Department of Justice, Civil Rights Division and the United States Attorney for the Southern District of Mississippi ("Government") and with the District Attorney for the Second Circuit Court District of Mississippi ("District Attorney"), as set out in paragraphs 9 and 10.

2. Government's Obligations

- a) Thereafter, the Government will recommend that the Court: (i) accept the Defendant's plea of guilty; (ii) recommend that the Court impose a sentence within the lower 50% of the applicable Sentencing Guidelines range as computed by the Court; and (iii) inform the United States Probation Office and the Court of this Agreement, the nature and extent of Defendant's activities with respect to this case and all other activities of Defendant which the Government deems relevant to sentencing, including the nature and extent of Defendant's cooperation with the Government.
- b) Following the acceptance of the Defendant's plea of guilty, the Government will dismiss Defendant Stolze from the Superseding Indictment in criminal case number 1:06cr79 currently pending before this Court.
- c) The Defendant has timely notified the Government of his intent to enter a plea of guilty. If the Defendant qualifies for a decrease under U.S.S.G. § 3E1.1(a), and if the Defendant's offense level determined prior to the operation of U.S.S.G. § 3E1.1(a) is a level 16 or greater, the Government will move for an additional one-level decrease in the guidelines in accordance with U.S.S.G. § 3E1.1(b).
- d) Should the Government determine that Defendant has provided substantial assistance to law enforcement officials in an investigation or prosecution, and has fully complied with the understandings specified in this Agreement, then the Government may submit a motion pursuant to United States Sentencing Guidelines

("U.S.S.G.") § 5K1.1 (and Title 18, United States Code, Section 3553(e), if applicable), requesting that the Court sentence Defendant in light of the factors set forth in U.S.S.G. § 5K1.1(a)(1)-(5). The determination as to whether Defendant has provided such substantial assistance shall rest solely with the Government. Should any investigation in which Defendant offers information be incomplete at the time of his sentencing, the Government may, in lieu of a downward departure at sentencing, move for a reduction in sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure at such time as the cooperation is complete. It is understood that, even if such a motion is filed, the sentence to be imposed on Defendant remains within the sole discretion of the Court.

3. Count of Conviction

It is understood that, as of the date of this Plea Agreement, the Defendant and his attorney have indicated that the Defendant desires to plead guilty to Count One of the Information.

4. Sentence

The Defendant understands that the penalty for the offense charged in Count 1 of the Information, charging a violation of Title 18, United States Code, Section 241, is a term of imprisonment not to exceed ten (10) years; a term of supervised release of not less than three (3) years; and a fine of up to \$250,000. The Defendant further understands that a term of supervised release will be imposed and that the term will be in addition to any prison sentence he receives; further, if any of the terms of supervised release are violated, the Defendant can be returned to prison for the entire term of supervised release, without credit for any time already served on the term of supervised release prior to the Defendant's violation of those conditions. It is further understood that the Court may require the Defendant to pay restitution in this matter in accordance with applicable law. The Defendant further understands that he is liable to make restitution for the full amount of the loss determined by the Court to constitute relevant conduct, which is not limited to the count of conviction.

5. Stipulation

The Defendant will plead guilty because he is in fact guilty of the charge contained in Count One of the Information. In pleading guilty, the Defendant admits and stipulates to the following facts that establish his guilt beyond a reasonable doubt:

Karl Walter Stolze a Harrison County Sheriff's Department Corrections Officer who worked the Harrison County Adult Detention Center ("Jail"). Stolze worked at the Jail from on or about August 1, 2003 to September 28, 2006. Stolze worked in the Jail's Booking area from on or about December 2003 through September 28, 2006. While assigned to the Booking area, Stolze was under the supervision of Captain James Ricky Gaston.

While he was employed at the Jail and acting under color of law, Stolze conspired with other employees at the Jail, also acting under color of law, to injure, threaten, and intimidate inmates at the Jail by willfully using excessive and unnecessary physical force against those inmates. The conspiracy began on a date uncertain before December 2003, and continued through at least January 28, 2006.

Stolze and his co-conspirators engaged in a pattern of conduct that included, but was not limited to, Stolze and other officers assaulting inmates, knowing that the physical force was

unnecessary, unreasonable, and unjustified. During the conspiracy, Stolze participated in several assaults against inmates.

Stolze observed co-conspirators and other corrections officers participate in numerous additional assaults against inmates at the Jail. Stolze also heard co-conspirators and other corrections officers boasting about their participation in willful and intentional uses of excessive force.

In addition, Stolze conspired with other officers to conceal these instances of physical abuse of inmates. Stolze, co-conspirators, and other corrections officers attempted to, and did in fact, conceal their abusive conduct by failing to document their excessive uses of force, and by giving false statements and writing false, vague, and misleading reports.

The information contained in this Stipulation is provided solely to assist the Court in determining whether a factual basis exists for the Defendant's plea of guilty. The Stipulation does not contain every fact known to the Defendant and to the Government concerning the Defendant's and/or other's involvement in the offense conduct and other matters.

6. Forfeitures

None.

7. This Plea Agreement does NOT Bind the Court

It is further understood that the Court, in accord with the principles of Rules 11(c)(1)(B) of the Federal Rules of Criminal Procedure, is not required to accept the recommendation of the Government, but may sentence the Defendant to the maximum fine and imprisonment as provided by law, and the Government has no other obligation in regard to sentencing than as stated in paragraph 2.

8. Determination of Sentencing Guidelines

It is further understood that the United States Sentencing Guidelines are advisory and that the Defendant and the Defendant's attorney have discussed the fact that the Court must review the Guidelines in reaching a decision as to the appropriate sentence in this case, but the Court may impose a sentence other than that indicated by the Guidelines if the Court finds that another sentence would be more appropriate. The Defendant acknowledges that he is not relying upon anyone's calculation of a particular Guidelines range for the offense to which he is entering his plea, and recognizes that the Court will make the final determination of the sentence and that he may be sentenced up to the maximum penalties set forth above.

9. Willingness to Cooperate

It is further understood and specifically acknowledged by the Defendant that the consideration for the action taken by the Government herein is the Defendant's representation, by execution of this Plea Agreement and otherwise, that the Defendant both can and will carry out the terms and conditions contained herein.

10. Terms of Cooperation

It is further understood that full cooperation referred to in paragraph 1 includes:

- a) immediate and truthful disclosure of all matters involved in this charge to the appropriate federal and state agents;

- b) truthful and complete disclosure of other matters involving possible violations of federal law to the appropriate federal or state agency as directed by the Government;
- c) truthful testimony at any trial involving any matter arising from these charges, in federal or state court;
- d) truthful testimony before any Grand Jury or at any trial in this or any other district on any matter about which the Defendant has knowledge and which is deemed pertinent to the Government;
- e) full and truthful cooperation with the Government, with any law enforcement agency designated by the Government, and/or the District Attorney's office;
- f) attendance at all meetings at which the U.S. Attorney or the District Attorney requests his presence;
- g) provision to the Government, upon request, of any document, record, or other tangible evidence relating to matters about which the Government, any designated law enforcement agency, and/or the District Attorney inquires of him; and
- h) an obligation on the part of the Defendant to commit no further crimes whatsoever.

11. Limits on Further Prosecution

It is further understood that the Government and the District Attorney will seek no further criminal prosecution of the Defendant for any acts or conduct by the Defendant as of the date of this Agreement, arising out of any event covered by the Information referenced in paragraph 1, if the Defendant voluntarily, truthfully, and completely discloses all information and knowledge that the Defendant possesses. Should the Defendant not voluntarily and completely disclose, then as to that matter, the Government and/or the District Attorney is free to seek prosecution of the Defendant. This Plea Agreement does not provide any protection against prosecution for any crimes except as set forth above.

12. Breach of this Agreement

It is further understood that should the Defendant fail or refuse as to any part of this Plea Agreement or commit any other crimes, the representations by the United States or the District Attorney in paragraphs 2 and 11 above are rescinded, and the Defendant's breach shall be considered sufficient grounds for the pursuit of any prosecutions that the Government or the District Attorney has not sought as a result of this Plea Agreement, including any such prosecutions that might have been dismissed or otherwise barred by the Double Jeopardy Clause.

If the Defendant fails to fulfill his obligations under this Plea Agreement, the United States may seek release from any or all obligations under this Plea Agreement. If the Defendant fails to fulfill his obligations under this Plea Agreement, the Defendant shall assert no claim under the United States Constitution, any statute, Rule 410 of the Federal Rules of Evidence, Rule 11(e)(6) of the Federal Rules of Criminal Procedure, or any other federal rule, that the Defendant's statements pursuant to this Plea Agreement or any leads derived therefore, should be suppressed or are inadmissible. Whether the Defendant has breached any provision of this Plea Agreement, if contested by the parties, shall be determined by the Court in an appropriate proceeding at which the Defendant's disclosures and documentary evidence shall be admissible and at which the United States shall be required to establish a breach of the Plea Agreement by a preponderance of the evidence.

13. Binding Effect on this Federal District or Upon the District Attorney

It is further understood that this Plea Agreement does not bind any other state or local prosecuting authorities or any other federal district, except as otherwise provided herein; further, this Plea Agreement does not bind the Attorney General of the United States in regard to any matter, civil or criminal, involving the tax statutes of the United States.

14. Financial Obligations

It is further understood and specifically agreed to by the Defendant that, at the time of the execution of this document or at the time his plea is entered, the Defendant will then and there pay over the special assessment of \$100.00 per count required by Title 18, United States Code, § 3013, to the Office of the United States District Court Clerk; the Defendant shall thereafter produce proof of payment to the Government or to the U.S. Probation Office. If the Defendant is adjudged to be indigent, payment of the special assessment at the time of the plea is waived, but the Defendant agrees that it may be made payable first from any funds available to the Defendant while he is incarcerated. The Defendant understands and agrees that, pursuant to Title 18, United States Code, § 3613, whatever monetary penalties are imposed by the Court will be due and payable immediately and subject to immediate enforcement by the United States as provided in § 3613. Furthermore, the Defendant agrees to provide all of his financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination. If the Court imposes a schedule of payments, the Defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation upon the methods, available to the United States to enforce the judgment. If the Defendant is incarcerated, the Defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program regardless of whether the Court specifically directs his participation or imposes a schedule of payments.

15. Further Crimes

It is further understood that should the Defendant commit any further crimes, this Plea Agreement shall be deemed violated and he shall be subject to prosecution for any federal or state criminal violation of which the Government has knowledge, and that any information provided by him may be used against him.

16. Waivers

The Defendant, knowing and understanding all of the matters aforesaid, including the maximum possible penalty that could be imposed, and being advised of his rights to remain silent, to a trial by jury, to subpoena witnesses on his own behalf, to confront any witnesses against him, and to appeal his conviction and sentence, in exchange for the recommendations and concessions made by the Government or the District Attorney in this Plea Agreement, hereby expressly waives the above rights and the following:

- a. The right to appeal the conviction and sentence imposed in this case, or the manner in which that sentence was imposed, on the grounds set forth in Title 18, United States Code, § 3742, on any ground, provided the sentence does not exceed the maximum sentence allowed by the statute; and
- b. The right to contest the conviction and sentence or the manner in which the sentence was imposed in any post-conviction proceeding, including but not limited to a motion brought under Title 28, United States Code, § 2255, and any type of

- c. Any right to seek attorney's fees and/or costs under the *Hyde Amendment*, as codified at Title 18, United States Code, § 306A, and the Defendant acknowledges that the Government's position in the instant prosecution is not merely frivolous, vexations, or undertaken in bad faith; and
- d. All rights, whether asserted directly or through a representative, to request or receive any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought by him or his representative under the Freedom of Information Act, set forth at Title 5, United States Code, § 552, or the Privacy Act of 1974, at Title 5, United States Code, § 552a.
- e. The Defendant further acknowledges and agrees that any factual issues regarding his sentencing will be resolved by the sentencing judge under a preponderance of the evidence standard, and the Defendant waives any right to a jury determination of these sentencing issues. The Defendant further agrees that, in making its sentencing decision, the District Court may consider any relevant evidence without regard to its admissibility under the Rules of Evidence applicable at trial.

The Defendant waives these rights in exchange for the recommendation and concessions made by the Government and the District Attorney in this Plea Agreement.

UNITED STATES OF AMERICA)

v.)

THOMAS PRESTON WILLS)

1:06-cr-137-LG-JMR

PLEA AGREEMENT

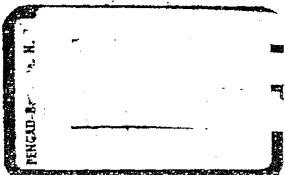

Thomas Preston Wills, the Defendant, and his attorney, David C. Morrison, have been notified that:

1. Defendants Obligations

If the Defendant waives indictment and tenders a plea of guilty to a one count Criminal Information to be filed in this case, charging him with the felony crime of *Conspiracy to Deprive Rights Under Color of Law*, in violation of 18 U.S.C. § 241, and if he fully cooperates with federal and state law enforcement, as well as, the Criminal Section of the U.S. Department of Justice, Civil Rights Division and the United States Attorney for the Southern District of Mississippi ("Government") and with the District Attorney for the Second Circuit Court District of Mississippi ("District Attorney"), as set out in paragraphs 9 and 10.

2. Government's Obligations

- a) Thereafter, the Government will recommend that the Court: (i) accept the Defendant's plea of guilty; and (ii) inform the United States Probation Office and the Court of this Agreement, the nature and extent of Defendant's activities with respect to this case and all other activities of Defendant which the Government deems relevant to sentencing, including the nature and extent of Defendant's cooperation with the Government.
- b) The Defendant has timely notified the Government of his intent to enter a plea of guilty. If the Defendant qualifies for a decrease under U.S.S.G. § 3E1.1(a), and if the Defendant's offense level determined prior to the operation of U.S.S.G. § 3E1.1(a) is a level 16 or greater, the Government will move for an additional one-level decrease in the guidelines in accordance with U.S.S.G. § 3E1.1(b).
- c) Should the Government determine that Defendant has provided substantial assistance to law enforcement officials in an investigation or prosecution, and has fully complied with the understandings specified in this Agreement, then the government may submit a motion pursuant to United States Sentencing Guidelines ("U.S.S.G.") § 5K1.1 (and Title 18, United States Code, Section 3553(e), if applicable), requesting that the Court sentence Defendant in light of the factors set forth in U.S.S.G. § 5K1.1(a)(1)-(5). The determination as to whether Defendant has provided such substantial assistance shall rest solely with the Government. Should

Case 1:06-cv-00912-LG-JMR Document 212-20 Filed 12/10/2008 Page 2 of 7
any investigation in which Defendant offers information be incomplete at the time of his sentencing, the Government may, in lieu of a downward departure at sentencing, move for a reduction in sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure at such time as the cooperation is complete. It is understood that, even if such a motion is filed, the sentence to be imposed on Defendant remains within the sole discretion of the Court.

3. Count of Conviction

It is understood that, as of the date of this Plea Agreement, the Defendant and his attorney have indicated that the Defendant desires to plead guilty to Count One of the Information.

4. Sentence

The Defendant understands that the penalty for the offense charged in Count One of the Information, charging a violation of Title 18, United States Code, Section 241, is a term of imprisonment not to exceed ten (10) years; a term of supervised release of not less than three (3) years; and a fine of up to \$250,000. The Defendant further understands that a term of supervised release will be imposed and that the term will be in addition to any prison sentence he receives; further, if any of the terms of supervised release are violated, the Defendant can be returned to prison for the entire term of supervised release, without credit for any time already served on the term of supervised release prior to the Defendant's violation of those conditions. It is further understood that the Court may require the Defendant to pay restitution in this matter in accordance with applicable law. The Defendant further understands that he is liable to make restitution for the full amount of the loss determined by the Court to constitute relevant conduct, which is not limited to the count of conviction.

5. Stipulation

The Defendant will plead guilty because he is in fact guilty of the charge contained in Count One of the Information. In pleading guilty, the Defendant admits and stipulates to the following facts that establish his guilt beyond a reasonable doubt:

Thomas Preston Wills is a former Harrison County Sheriff's Department Corrections Officer who worked the Harrison County Adult Detention Center ("Jail"). Wills worked at the Jail from a date unknown in November 2002, through on or about April 6, 2006.

While he was employed at the Jail and acting under color of law, Wills conspired with other employees at the Jail, also acting under color of law, to injure, threaten, and intimidate inmates at the Jail by willfully using excessive physical force against those inmates. The conspiracy began on a date uncertain before November, 2002, and continued through at least April 6, 2006. During his time at the Jail, Wills primarily served as a Booking Officer.

Wills and his co-conspirators engaged in a pattern of conduct that included, but was not limited to, Wills and other officers striking, punching, kicking, choking, and otherwise assaulting inmates, knowing that the physical force was unnecessary, unreasonable, and unjustified.

Case 1:06-cv-00912-LG-JMR Document 212-20 Filed 12/10/2008 Page 3 of 7
During the conspiracy, Wills participated in over one hundred assaults against inmates. Wills observed co-conspirators and other corrections officers participate in over one hundred additional assaults against inmates at the Jail. Wills also heard co-conspirators and other corrections officers boasting about their participation in willful and intentional uses of excessive force.

In addition, Wills conspired with other officers to conceal these instances of physical abuse of inmates. Wills, co-conspirators, and other corrections officers attempted to, and did, conceal their abusive conduct by failing to document their excessive uses of force, and by giving false statements and writing false, vague, and misleading reports.

Acts committed in furtherance of the conspiracy included the February 4, 2006, assault committed by officers against Jessie Lee Williams, Jr. ("Williams"), an inmate who died after his interaction with the officers. Wills was not on duty or present at the Jail during the Williams assault.

The information contained in this Stipulation is provided solely to assist the Court in determining whether a factual basis exists for the Defendant's plea of guilty. The Stipulation does not contain every fact known to the Defendant and to the Government concerning the Defendant's and/or other's involvement in the offense conduct and other matters.

6. Forfeitures

None.

7. This Plea Agreement does NOT Bind the Court

It is further understood that the Court, in accord with the principles of Rules 11(e)(1)(B) of the Federal Rules of Criminal Procedure, is not required to accept the recommendation of the Government, but may sentence the Defendant to the maximum fine and imprisonment as provided by law, and the Government has no other obligation in regard to sentencing than as stated in paragraph 2.

8. Determination of Sentencing Guidelines

It is further understood that the United States Sentencing Guidelines are advisory and that the Defendant and the Defendant's attorney have discussed the fact that the Court must review the Guidelines in reaching a decision as to the appropriate sentence in this case, but the Court may impose a sentence other than that indicated by the Guidelines if the Court finds that another sentence would be more appropriate. The Defendant acknowledges that he is not relying upon anyone's calculation of a particular Guidelines range for the offense to which he is entering his plea, and recognizes that the Court will make the final determination of the sentence and that he may be sentenced up to the maximum penalties set forth above.

9. Willingness to Cooperate

It is further understood and specifically acknowledged by the Defendant that the consideration for the action taken by the Government herein is the Defendant's representation, by execution of this Plea Agreement and otherwise, that the Defendant both can and will carry out the terms and conditions contained herein.

10. Case ~~Terms of Cooperation~~ Document 212-20 Filed 12/10/2008 Page 4 of 7

It is further understood that full cooperation referred to in paragraph 1 includes:

- a) immediate and truthful disclosure of all matters involved in this charge to the appropriate federal and state agents;
- b) truthful and complete disclosure of other matters involving possible violations of federal law to the appropriate federal or state agency as directed by the Government;
- c) truthful testimony at any trial involving any matter arising from these charges, in federal or state court;
- d) truthful testimony before any Grand Jury or at any trial in this or any other district on any matter about which the Defendant has knowledge and which is deemed pertinent to the Government;
- e) full and truthful cooperation with the Government, with any law enforcement agency designated by the Government, and/or the District Attorney's office;
- f) attendance at all meetings at which the U.S. Attorney or the District Attorney requests his presence;
- (g) provision to the Government, upon request, of any document, record, or other tangible evidence relating to matters about which the Government, any designated law enforcement agency, and/or the District Attorney inquires of him; and
- (h) an obligation on the part of the Defendant to commit no further crimes whatsoever.

11. Limits on Further Prosecution

It is further understood that the Government and the District Attorney will seek no further criminal prosecution of the Defendant for any acts or conduct by the Defendant as of the date of this Agreement, arising out of any event covered by the Information referenced in paragraph 1, if the Defendant voluntarily, truthfully, and completely discloses all information and knowledge that the Defendant possesses. Should the Defendant not voluntarily and completely disclose, then as to that matter, the Government and/or the District Attorney is free to seek prosecution of the Defendant. This Plea Agreement does not provide any protection against prosecution for any crimes except as set forth above.

12. Breach of this Agreement

It is further understood that should the Defendant fail or refuse as to any part of this Plea Agreement or commit any other crimes, the representations by the United States or the District Attorney in paragraphs 2 and 11 above are rescinded, and the Defendant's breach shall be considered sufficient grounds for the pursuit of any prosecutions that the Government or the District Attorney has not sought as a result of this Plea Agreement, including any such prosecutions that might have been dismissed or otherwise barred by the Double Jeopardy Clause.

If the Defendant fails to fulfill his obligations under this Plea Agreement, the United States may seek release from any or all obligations under this Plea Agreement. If the Defendant fails to fulfill his obligations under this Plea Agreement, the Defendant shall assert no claim under the United States Constitution, any statute, Rule 410 of the Federal Rules of Evidence, Rule 11(e)(6) of the Federal Rules of Criminal Procedure, or any other federal rule, that the Defendant's statements pursuant to this Plea Agreement or any leads derived therefore, should be suppressed or are

 inadmissible. Whether the Defendant has breached any provision of this Plea Agreement, if contested by the parties, shall be determined by the Court in an appropriate proceeding at which the Defendant's disclosures and documentary evidence shall be admissible and at which the United States shall be required to establish a breach of the Plea Agreement by a preponderance of the evidence.

13. Binding Effect on this Federal District or Upon the District Attorney

It is further understood that this Plea Agreement does not bind any other state or local prosecuting authorities or any other federal district, except as otherwise provided herein; further, this agreement does not bind the Attorney General of the United States in regard to any matter, civil or criminal, involving the tax statutes of the United States.

14. Financial Obligations

It is further understood and specifically agreed to by the Defendant that, at the time of the execution of this document or at the time his plea is entered, the Defendant will then and there pay over the special assessment of \$100.00 per count required by Title 18, United States Code, § 3013, to the Office of the United States District Court Clerk; the Defendant shall thereafter produce proof of payment to the Government or to the U.S. Probation Office. If the Defendant is adjudged to be indigent, payment of the special assessment at the time of the plea is waived, but the Defendant agrees that it may be made payable first from any funds available to the Defendant while he is incarcerated. The Defendant understands and agrees that, pursuant to Title 18, United States Code, § 3613, whatever monetary penalties are imposed by the Court will be due and payable immediately and subject to immediate enforcement by the United States as provided in § 3613. Furthermore, the Defendant agrees to provide all of his financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination. If the Court imposes a schedule of payments, the Defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation upon the methods, available to the United States to enforce the judgment. If the Defendant is incarcerated, the Defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program regardless of whether the Court specifically directs his participation or imposes a schedule of payments.

15. Further Crimes

It is further understood that should the Defendant commit any further crimes, this Plea Agreement shall be deemed violated and he shall be subject to prosecution for any federal or state criminal violation of which the Government has knowledge, and that any information provided by him may be used against him.

16. Waivers

The Defendant, knowing and understanding all of the matters aforesaid, including the maximum possible penalty that could be imposed, and being advised of his rights to remain silent, to a trial by jury, to subpoena witnesses on his own behalf, to confront any witnesses against him, and to appeal his conviction and sentence, in exchange for the recommendations and concessions made

by the Government or the District Attorney in this Plea Agreement, hereby expressly waives the above rights and the following:

- a. The right to appeal the conviction and sentence imposed in this case, or the manner in which that sentence was imposed, on the grounds set forth in Title 18, United States Code, § 3742, on any ground, provided the sentence does not exceed the maximum sentence allowed by the statute; and
- b. The right to contest the conviction and sentence or the manner in which the sentence was imposed in any post-conviction proceeding, including but not limited to a motion brought under Title 28, United States Code, § 2255, and any type of proceeding claiming to double jeopardy or excessive penalty as a result of any forfeiture ordered or to be ordered in this case; and
- c. Any right to seek attorney's fees and/or costs under the *Hyde Amendment*, as codified at Title 18, United States Code, § 306A, and the Defendant acknowledges that the Government's position in the instant prosecution is not merely frivolous, vexations, or undertaken in bad faith; and
- d. All rights, whether asserted directly or through a representative, to request or receive any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought by him or his representative under the Freedom of Information Act, set forth at Title 5, United States Code, § 552, or the Privacy Act of 1974, at Title 5, United States Code, § 552a.
- e. The Defendant further acknowledges and agrees that any factual issues regarding his sentencing will be resolved by the sentencing judge under a preponderance of the evidence standard, and the Defendant waives any right to a jury determination of these sentencing issues. The Defendant further agrees that, in making its sentencing decision, the District Court may consider any relevant evidence without regard to its admissibility under the Rules of Evidence applicable at trial.

The Defendant waives these rights in exchange for the recommendation and concessions made by the Government and the District Attorney in this Plea Agreement.

17. Future Contact with the Defendant

The Defendant and his attorney acknowledge that if forfeiture, restitution, a fine, or special assessment, or any combination of these is ordered in the Defendant's case, that this will require regular contact with the Defendant during any period of incarceration, probation, and supervised release. Further, the Defendant and his attorney understand that it is essential that defense counsel contact the Financial Litigation Unit of the Government immediately after sentencing in this case to confirm in writing whether defense counsel will continue to represent the Defendant in this case and in matters involving the collection of the financial obligations imposed by the Court. If the Government does not receive any written acknowledgment from defense counsel within two weeks of entry of judgment in this case, the Government will presume that defense counsel no longer

The Defendant and his attorney understand and agree that such direct contact with the Defendant shall not be deemed an improper *ex parte* contact with the Defendant if defense counsel fails to notify the Government of any continued legal representation within two weeks after the date of entry of the judgment in this case.

18. Complete Agreement

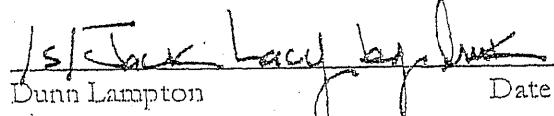

It is further understood that this Plea Agreement completely reflects all promises, agreements, and conditions made by and among the Government, the District Attorney, and the Defendant.

- d) Should the Government determine that Defendant has provided substantial assistance to law enforcement officials in an investigation or prosecution, and has fully complied with the understandings specified in this Agreement, then the Government may submit a motion pursuant to United States Sentencing Guidelines

3

(“U.S.S.G.”) § 5K1.1 (and Title 18, United States Code, Section 3553(e), if applicable), requesting that the Court sentence Defendant in light of the factors set forth in U.S.S.G. § 5K1.1(a)(1)-(5). The determination as to whether Defendant has provided such substantial assistance shall rest solely with the Government. Should any investigation in which Defendant offers information be incomplete at the time of his sentencing, the Government may, in lieu of a downward departure at sentencing, move for a reduction in sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure at such time as the cooperation is complete. It is understood that, even if such a motion is filed, the sentence to be imposed on Defendant remains within the sole discretion of the Court.

3. Count of Conviction

It is understood that, as of the date of this Plea Agreement, the Defendant and his attorney have indicated that the Defendant desires to plead guilty to Count One of the Information.

4. Sentence

The Defendant understands that the penalty for the offense charged in Count 1 of the Information, charging a violation of Title 18, United States Code, Section 241, is a term of imprisonment not to exceed ten (10) years; a term of supervised release of not less than three (3) years; and a fine of up to \$250,000. The Defendant further understands that a term of supervised release will be imposed and that the term will be in addition to any prison sentence he receives; further, if any of the terms of supervised release are violated, the Defendant can be returned to prison for the entire term of supervised release, without credit for any time already served on the term of supervised release prior to the Defendant’s violation of those conditions. It is further understood that the Court may require the Defendant to pay restitution in this matter in accordance with applicable law. The Defendant further understands that he is liable to make restitution for the full amount of the loss determined by the Court to constitute relevant conduct, which is not limited to the count of conviction.

5. Stipulation

The Defendant will plead guilty because he is in fact guilty of the charge contained in Count One of the Information. In pleading guilty, the Defendant admits and stipulates to the following facts that establish his guilt beyond a reasonable doubt:

Daniel Lamont Evans a Harrison County Sheriff’s Department Corrections Officer who worked the Harrison County Adult Detention Center (“Jail”). Evans worked at the Jail from on or about September 15, 2003 to May 15, 2006. Evans worked in the Jail’s Booking area from in or about summer 2004 through May 15, 2006. While assigned to the Booking area, Evans was under the supervision of Captain James Ricky Gaston.

While he was employed at the Jail and acting under color of law, Evans conspired with other employees at the Jail, also acting under color of law, to injure, threaten, and intimidate inmates at the Jail by willfully using excessive and unnecessary physical force against those inmates. The conspiracy began on a date uncertain before September 2003, and continued through at least January 28, 2006. Evans did not participate in the conspiracy after January 28, 2006.

Evans and his co-conspirators engaged in a pattern of conduct that included, but was not limited to, Evans and other officers assaulting inmates, knowing that the physical force was unnecessary, unreasonable, and unjustified.

During the conspiracy, Evans participated in several assaults against inmates. On or about February 13, 2005, Evans and another correctional officer assaulted inmate J.C. by using O.C. spray without justification.

Evans observed co-conspirators and other corrections officers participate in numerous additional assaults against inmates at the Jail. Evans also heard co-conspirators and other corrections officers boasting about their participation in willful and intentional uses of excessive force.

In addition, Evans conspired with other officers to conceal these instances of physical abuse of inmates. Evans, co-conspirators, and other corrections officers attempted to, and did in fact, conceal their abusive conduct by failing to document their excessive uses of force, and by giving false statements and writing false, vague, and misleading reports.

The information contained in this Stipulation is provided solely to assist the Court in determining whether a factual basis exists for the Defendant's plea of guilty. The Stipulation does not contain every fact known to the Defendant and to the Government concerning the Defendant's and/or other's involvement in the offense conduct and other matters.

6. Forfeitures

None.

7. This Plea Agreement does NOT Bind the Court

It is further understood that the Court, in accord with the principles of Rules 11(c)(1)(B) of the Federal Rules of Criminal Procedure, is not required to accept the recommendation of the Government, but may sentence the Defendant to the maximum fine and imprisonment as provided by law, and the Government has no other obligation in regard to sentencing than as stated in paragraph 2.

8. Determination of Sentencing Guidelines

It is further understood that the United States Sentencing Guidelines are advisory and that the Defendant and the Defendant's attorney have discussed the fact that the Court must review the Guidelines in reaching a decision as to the appropriate sentence in this case, but the Court may impose a sentence other than that indicated by the Guidelines if the Court finds that another sentence would be more appropriate. The Defendant acknowledges that he is not relying upon anyone's calculation of a particular Guidelines range for the offense to which he is entering his plea, and recognizes that the Court will make the final determination of the sentence and that he may be sentenced up to the maximum penalties set forth above.

9. Willingness to Cooperate

It is further understood and specifically acknowledged by the Defendant that the consideration for the action taken by the Government herein is the Defendant's representation, by execution of this Plea Agreement and otherwise, that the Defendant both can and will carry out the terms and conditions contained herein.

10. Terms of Cooperation

Case 1:06-cv-00912-LG-JMR Document 212-17 Filed 12/10/2008 Page 4 of 7
It is further understood that full cooperation referred to in paragraph 1 includes:

- a) immediate and truthful disclosure of all matters involved in this charge to the appropriate federal and state agents;
- b) truthful and complete disclosure of other matters involving possible violations of federal law to the appropriate federal or state agency as directed by the Government;
- c) truthful testimony at any trial involving any matter arising from these charges, in federal or state court;
- d) truthful testimony before any Grand Jury or at any trial in this or any other district on any matter about which the Defendant has knowledge and which is deemed pertinent to the Government;
- e) full and truthful cooperation with the Government, with any law enforcement agency designated by the Government, and/or the District Attorney's office;
- f) attendance at all meetings at which the U.S. Attorney or the District Attorney requests his presence;
- g) provision to the Government, upon request, of any document, record, or other tangible evidence relating to matters about which the Government, any designated law enforcement agency, and/or the District Attorney inquires of him; and
- h) an obligation on the part of the Defendant to commit no further crimes whatsoever.

11. Limits on Further Prosecution

It is further understood that the Government and the District Attorney will seek no further criminal prosecution of the Defendant for any acts or conduct by the Defendant as of the date of this Agreement, arising out of any event covered by the Information referenced in paragraph 1, if the Defendant voluntarily, truthfully, and completely discloses all information and knowledge that the Defendant possesses. Should the Defendant not voluntarily and completely disclose, then as to that matter, the Government and/or the District Attorney is free to seek prosecution of the Defendant. This Plea Agreement does not provide any protection against prosecution for any crimes except as set forth above.

12. Breach of this Agreement

It is further understood that should the Defendant fail or refuse as to any part of this Plea Agreement or commit any other crimes, the representations by the United States or the District Attorney in paragraphs 2 and 11 above are rescinded, and the Defendant's breach shall be considered sufficient grounds for the pursuit of any prosecutions that the Government or the District Attorney has not sought as a result of this Plea Agreement, including any such prosecutions that might have been dismissed or otherwise barred by the Double Jeopardy Clause.

If the Defendant fails to fulfill his obligations under this Plea Agreement, the United States may seek release from any or all obligations under this Plea Agreement. If the Defendant fails to fulfill his obligations under this Plea Agreement, the Defendant shall assert no claim under the United States Constitution, any statute, Rule 410 of the Federal Rules of Evidence, Rule 11(e)(6) of the Federal Rules of Criminal Procedure, or any other federal rule, that the Defendant's statements pursuant to this Plea Agreement or any leads derived therefore, should be suppressed or are inadmissible. Whether the Defendant has breached any provision of this Plea Agreement, if contested by the parties, shall be determined by the Court in an appropriate proceeding at which the Defendant's disclosures and documentary evidence shall be admissible and at which the United

States shall be required to establish a breach of the Plea Agreement by a preponderance of the evidence.
Case 1:06-cv-00972-LG-JMR Document 212-17 Filed 12/10/2008 Page 5 of 7

13. Binding Effect on this Federal District or Upon the District Attorney

It is further understood that this Plea Agreement does not bind any other state or local prosecuting authorities or any other federal district, except as otherwise provided herein; further, this Plea Agreement does not bind the Attorney General of the United States in regard to any matter, civil or criminal, involving the tax statutes of the United States.

14. Financial Obligations

It is further understood and specifically agreed to by the Defendant that, at the time of the execution of this document or at the time his plea is entered, the Defendant will then and there pay over the special assessment of \$100.00 per count required by Title 18, United States Code, § 3013, to the Office of the United States District Court Clerk; the Defendant shall thereafter produce proof of payment to the Government or to the U.S. Probation Office. If the Defendant is adjudged to be indigent, payment of the special assessment at the time of the plea is waived, but the Defendant agrees that it may be made payable first from any funds available to the Defendant while he is incarcerated. The Defendant understands and agrees that, pursuant to Title 18, United States Code, § 3613, whatever monetary penalties are imposed by the Court will be due and payable immediately and subject to immediate enforcement by the United States as provided in § 3613. Furthermore, the Defendant agrees to provide all of his financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination. If the Court imposes a schedule of payments, the Defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation upon the methods, available to the United States to enforce the judgment. If the Defendant is incarcerated, the Defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program regardless of whether the Court specifically directs his participation or imposes a schedule of payments.

15. Further Crimes

It is further understood that should the Defendant commit any further crimes, this Plea Agreement shall be deemed violated and he shall be subject to prosecution for any federal or state criminal violation of which the Government has knowledge, and that any information provided by him may be used against him.

16. Waivers

The Defendant, knowing and understanding all of the matters aforesaid, including the maximum possible penalty that could be imposed, and being advised of his rights to remain silent, to a trial by jury, to subpoena witnesses on his own behalf, to confront any witnesses against him, and to appeal his conviction and sentence, in exchange for the recommendations and concessions made by the Government or the District Attorney in this Plea Agreement, hereby expressly waives the above rights and the following:

- a. The right to appeal the conviction and sentence imposed in this case, or the manner in which that sentence was imposed, on the grounds set forth in Title 18, United States Code, § 3742, on any ground, provided the sentence does not exceed the maximum sentence allowed by the statute; and

b. The right to contest the conviction and sentence or the manner in which the sentence was imposed in any post-conviction proceeding, including but not limited to a motion brought under Title 28, United States Code, § 2255, and any type of proceeding claiming to double jeopardy or excessive penalty as a result of any forfeiture ordered or to be ordered in this case; and

c. Any right to seek attorney's fees and/or costs under the *Hyde Amendment*, as codified at Title 18, United States Code, § 306A, and the Defendant acknowledges that the Government's position in the instant prosecution is not merely frivolous, vexations, or undertaken in bad faith; and

d. All rights, whether asserted directly or through a representative, to request or receive any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought by him or his representative under the Freedom of Information Act, set forth at Title 5, United States Code, § 552, or the Privacy Act of 1974, at Title 5, United States Code, § 552a.

e. The Defendant further acknowledges and agrees that any factual issues regarding his sentencing will be resolved by the sentencing judge under a preponderance of the evidence standard, and the Defendant waives any right to a jury determination of these sentencing issues. The Defendant further agrees that, in making its sentencing decision, the District Court may consider any relevant evidence without regard to its admissibility under the Rules of Evidence applicable at trial.

The Defendant waives these rights in exchange for the recommendation and concessions made by the Government and the District Attorney in this Plea Agreement.

17. Future Contact with the Defendant

The Defendant and his attorney acknowledge that if forfeiture, restitution, a fine, or special assessment, or any combination of these is ordered in the Defendant's case, that this will require regular contact with the Defendant during any period of incarceration, probation, and supervised release. Further, the Defendant and his attorney understand that it is essential that defense counsel contact the Financial Litigation Unit of the Government immediately after sentencing in this case to confirm in writing whether defense counsel will continue to represent the Defendant in this case and in matters involving the collection of the financial obligations imposed by the Court. If the Government does not receive any written acknowledgment from defense counsel within two weeks of entry of judgment in this case, the Government will presume that defense counsel no longer represents the Defendant and the Financial Litigation Unit will communicate directly with the Defendant regarding collection of the financial obligations imposed by the Court. The Defendant and his attorney understand and agree that such direct contact with the Defendant shall not be deemed an improper *ex parte* contact with the Defendant if defense counsel fails to notify the Government of any continued legal representation within two weeks after the date of entry of the judgment in this case.

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF MISSISSIPPI
JACKSON DIVISION

UNITED STATES OF AMERICA)

v.)

DEDRI YULON CALDWELL)

1:06CR117 LG-JMR

PLEA AGREEMENT

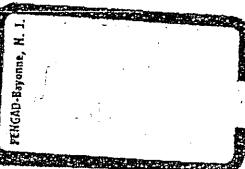

Dedri Yulon Caldwell, the Defendant, and her attorney, Robert G. Harenski, have been notified that:

1. Defendants Obligations

If the Defendant waives indictment and tenders a plea of guilty to a one count criminal information to be filed in this case, charging her with the felony crime of *Conspiracy to Deprive Rights Under Color of Law*, in violation of 18 U.S.C. § 241, and if she fully cooperates with federal and state law enforcement, as well as, the Criminal Section of the U.S. Department of Justice, Civil Rights Division and the United States Attorney for the Southern District of Mississippi ("Government") and with the District Attorney for the Second Circuit Court District of Mississippi ("District Attorney"), as set out in paragraphs 9 and 10.

2. Government's Obligations

- a) Thereafter, the Government will recommend that the Court (i) accept the Defendant's plea of guilty; and (ii) inform the United States Probation Office and the Court of this Agreement, the nature and extent of Defendant's activities with respect to this case and all other activities of Defendant which the Government deems relevant to sentencing, including the nature and extent of Defendant's cooperation with the Government.
- b) The Defendant has timely notified the Government of her intent to enter a plea of guilty. If the Defendant qualifies for a decrease under U.S.S.G. § 3E1.1(a), and if the Defendant's offense level determined prior to the operation of U.S.S.G. § 3E1.1(a) is a level 16 or greater, the Government will move for an additional one-level decrease in the guidelines in accordance with U.S.S.G. § 3E1.1(b).
- c) Should the Government determine that Defendant has provided substantial assistance to law enforcement officials in an investigation or prosecution, and has fully complied with the understandings specified in this Agreement, then the government may submit a motion pursuant to United States Sentencing Guidelines ("U.S.S.G.") § 5K1.1 (and Title 18, United States Code, Section 3553(e), if applicable), requesting that the Court sentence Defendant in light of the factors set forth in U.S.S.G. § 5K1.1(a)(1)-(5). The determination as to whether Defendant has provided such substantial assistance shall rest solely with the Government. Should

any investigation in which Defendant offers information be incomplete at the time of her sentencing, the Government may, in lieu of a downward departure at sentencing, move for a reduction in sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure at such time as the cooperation is complete. It is understood that, even if such a motion is filed, the sentence to be imposed on Defendant remains within the sole discretion of the Court.

3. Count of Conviction

It is understood that, as of the date of this Plea Agreement, the Defendant and her attorney have indicated that the Defendant desires to plead guilty to Count One of the Information.

4. Sentence

The Defendant understands that the penalty for the offense charged in Count 1 of the Information, charging a violation of Title 18, United States Code, Section 241, is a term of imprisonment not to exceed ten (10) years; a term of supervised release of not less than three (3) years; and a fine of up to \$250,000. The Defendant further understands that a term of supervised release will be imposed and that the term will be in addition to any prison sentence she receives; further, if any of the terms of supervised release are violated, the Defendant can be returned to prison for the entire term of supervised release, without credit for any time already served on the term of supervised release prior to the Defendant's violation of those conditions. It is further understood that the Court may require the Defendant to pay restitution in this matter in accordance with applicable law. The Defendant further understands that she is liable to make restitution for the full amount of the loss determined by the Court to constitute relevant conduct, which is not limited to the count of conviction.

5. Stipulation

The Defendant will plead guilty because she is in fact guilty of the charge contained in Count One of the Information. In pleading guilty, the Defendant admits and stipulates to the following facts that establish her guilt beyond a reasonable doubt:

Dedri Yulon Caldwell is a former Harrison County Sheriff's Department Corrections Officer who worked the Harrison County Adult Detention Center ("Jail"). Caldwell worked at the Jail from on or about April 23, 2001, through on or about December 21, 2005. Caldwell was eventually promoted to the rank of Sergeant on October 25, 2004.

While she was employed at the Jail and acting under color of law, Caldwell conspired with other employees at the Jail, also acting under color of law, to injure, threaten, and intimidate inmates at the Jail by willfully using excessive and unnecessary physical force against those inmates. The conspiracy began on a date uncertain before April 23, 2001, and continued through at least December 21, 2005.

Caldwell and her co-conspirators engaged in a pattern of conduct that included, but was not limited to, Caldwell and other officers striking, punching, kicking, choking, and otherwise assaulting inmates, knowing that the physical force was unnecessary, unreasonable, and unjustified.

During the conspiracy, Caldwell participated in over one hundred assaults against inmates. As a Sergeant, Caldwell occasionally recruited and directed other corrections officers to participate in these assaults. Caldwell observed co-conspirators and other corrections officers participate in over one hundred additional assaults against inmates at the Jail. Caldwell also heard co-conspirators and other corrections officers boasting about their participation in willful and intentional uses of excessive force.

In addition, Caldwell conspired with other officers to conceal these instances of physical abuse of inmates. Caldwell, co-conspirators, and other corrections officers attempted to, and did in fact, conceal their abusive conduct by failing to document their excessive uses of force, and by giving false statements and writing false, vague, and misleading reports.

The information contained in this Stipulation is provided solely to assist the Court in determining whether a factual basis exists for the Defendant's plea of guilty. The Stipulation does not contain every fact known to the Defendant and to the Government concerning the Defendant's and/or other's involvement in the offense conduct and other matters.

6. Forfeitures

None.

7. This Plea Agreement does NOT Bind the Court

It is further understood that the Court, in accord with the principles of Rules 11(c)(1)(B) of the Federal Rules of Criminal Procedure, is not required to accept the recommendation of the Government, but may sentence the Defendant to the maximum fine and imprisonment as provided by law, and the Government has no other obligation in regard to sentencing than as stated in paragraph 2.

8. Determination of Sentencing Guidelines

It is further understood that the United States Sentencing Guidelines are advisory and that the Defendant and the Defendant's attorney have discussed the fact that the Court must review the Guidelines in reaching a decision as to the appropriate sentence in this case, but the Court may impose a sentence other than that indicated by the Guidelines if the Court finds that another sentence would be more appropriate. The Defendant acknowledges that she is not relying upon anyone's calculation of a particular Guidelines range for the offense to which she is entering her plea, and recognizes that the Court will make the final determination of the sentence and that she may be sentenced up to the maximum penalties set forth above.

9. Willingness to Cooperate

It is further understood and specifically acknowledged by the Defendant that the consideration for the action taken by the Government herein is the Defendant's representation, by execution of this Plea Agreement and otherwise, that the Defendant both can and will carry out the terms and conditions contained herein.

10. Terms of Cooperation

It is further understood that full cooperation referred to in paragraph 1 includes:

- a) immediate and truthful disclosure of all matters involved in this charge to the appropriate federal and state agents;
- b) truthful and complete disclosure of other matters involving possible violations of federal law to the appropriate federal or state agency as directed by the Government;
- c) truthful testimony at any trial involving any matter arising from these charges; in federal or state court;
- d) truthful testimony before any Grand Jury or at any trial in this or any other district on any matter about which the Defendant has knowledge and which is deemed pertinent to the Government;
- e) full and truthful cooperation with the Government, with any law enforcement agency designated by the Government, and/or the District Attorney's office;
- f) attendance at all meetings at which the U.S. Attorney or the District Attorney requests her presence;
- (g) provision to the Government, upon request, of any document, record, or other tangible evidence relating to matters about which the Government, any designated law enforcement agency, and/or the District Attorney inquires of her; and
- (h) an obligation on the part of the Defendant to commit no further crimes whatsoever.

11. Limits on Further Prosecution

It is further understood that the Government and the District Attorney will seek no further criminal prosecution of the Defendant for any acts or conduct by the Defendant as of the date of this Agreement, arising out of any event covered by the Information referenced in paragraph 1, if the Defendant voluntarily, truthfully, and completely discloses all information and knowledge that the Defendant possesses. Should the Defendant not voluntarily and completely disclose, then as to that matter, the Government and/or the District Attorney is free to seek prosecution of the Defendant. This Plea Agreement does not provide any protection against prosecution for any crimes except as set forth above.

12. Breach of this Agreement

It is further understood that should the Defendant fail or refuse as to any part of this Plea Agreement or commit any other crimes, the representations by the United States or the District Attorney in paragraphs 2 and 11 above are rescinded, and the Defendant's breach shall be considered sufficient grounds for the pursuit of any prosecutions that the Government or the District Attorney has not sought as a result of this Plea Agreement, including any such prosecutions that might have been dismissed or otherwise barred by the Double Jeopardy Clause.

If the Defendant fails to fulfill her obligations under this Plea Agreement, the United States may seek release from any or all obligations under this Plea Agreement. If the Defendant fails to fulfill her obligations under this Plea Agreement, the Defendant shall assert no claim under the United States Constitution, any statute, Rule 410 of the Federal Rules of Evidence, Rule 11(e)(6) of the Federal Rules of Criminal Procedure, or any other federal rule, that the Defendant's statements pursuant to this Plea Agreement or any leads derived therefore, should be suppressed or are inadmissible. Whether the Defendant has breached any provision of this Plea Agreement, if contested by the parties, shall be determined by the Court in an appropriate proceeding at which the

14. Financial Obligations

It is further understood and specifically agreed to by the Defendant that, at the time of the execution of this document or at the time her plea is entered, the Defendant will then and there pay over the special assessment of \$100.00 per count required by Title 18, United States Code, § 3013, to the Office of the United States District Court Clerk; the Defendant shall thereafter produce proof of payment to the Government or to the U.S. Probation Office. Furthermore, the Defendant agrees to provide all of her financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination. If the Court imposes a schedule of payments, the Defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation upon the methods, available to the United States to enforce the judgment. If the Defendant is incarcerated, the Defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program regardless of whether the Court specifically directs her participation or imposes a schedule of payments.

15. Further Crimes

It is further understood that should the Defendant commit any further crimes, this Plea Agreement shall be deemed violated and she shall be subject to prosecution for any federal or state criminal violation of which the Government has knowledge, and that any information provided by her may be used against her.

16. Waivers

The Defendant, knowing and understanding all of the matters aforesaid, including the maximum possible penalty that could be imposed, and being advised of her rights to remain silent, to a trial by jury, to subpoena witnesses on her own behalf, to confront any witnesses against her, and to appeal her conviction and sentence, in exchange for the recommendations and concessions made by the Government or the District Attorney in this Plea Agreement, hereby expressly waives the above rights and the following:

- a. The right to appeal the conviction and sentence imposed in this case, or the manner in which that sentence was imposed, on the grounds set forth in Title 18, United States Code, § 3742, on any ground, provided the sentence does not exceed the maximum sentence allowed by the statute; and
- b. The right to contest the conviction and sentence or the manner in which the sentence was imposed in any post-conviction proceeding, including but not limited to a motion brought under Title 28, United States Code, § 2255, and any type of proceeding claiming to double jeopardy or excessive penalty as a result of any forfeiture ordered or to be ordered in this case; and
- c. Any right to seek attorney's fees and/or costs under the *Hyde Amendment*, as codified at Title 18, United States Code, § 306A, and the Defendant acknowledges that the Government's position in the instant prosecution is not merely frivolous, vexations, or undertaken in bad faith; and
- d. All rights, whether asserted directly or through a representative, to request or receive any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought by her or her representative under the Freedom of Information Act, set forth at Title 5, United States Code, § 552, or the Privacy Act of 1974, at Title 5, United States Code, § 552a.
- e. The Defendant further acknowledges and agrees that any factual issues regarding her sentencing will be resolved by the sentencing judge under a preponderance of the evidence standard, and the Defendant waives any right to a jury determination of these sentencing issues. The Defendant further agrees that, in making its sentencing decision, the District Court may consider any relevant evidence without regard to its admissibility under the Rules of Evidence applicable at trial.

The Defendant waives these rights in exchange for the recommendation and concessions made by the Government and the District Attorney in this Plea Agreement.

17. Future Contact with the Defendant

The Defendant and her attorney acknowledge that if forfeiture, restitution, a fine, or special assessment, or any combination of these is ordered in the Defendant's case, that this will require regular contact with the Defendant during any period of incarceration, probation, and supervised release. Further, the Defendant and her attorney understand that it is essential that defense counsel contact the Financial Litigation Unit of the Government immediately after sentencing in this case to confirm in writing whether defense counsel will continue to represent the Defendant in this case and in matters involving the collection of the financial obligations imposed by the Court. If the Government does not receive any written acknowledgment from defense counsel within two weeks of entry of judgment in this case, the Government will presume that defense counsel no longer represents the Defendant and the Financial Litigation Unit will communicate directly with the Defendant regarding collection of the financial obligations imposed by the Court. Assistant United States Attorney

PLEA AGREEMENT

Regina Lynn Rhodes, the Defendant herein, and her Attorney, James B. Halliday, have been notified that:

1. Defendant's Obligations

If the Defendant tenders a plea of guilty to a two-count criminal information to be filed in this case, charging her with *a Felony Violation of Deprivation of Rights under Color of Law* under 18 U.S.C. § 242, and *Misprision of Felony* under 18 U.S.C. § 4, and if she fully cooperates with the Government and with the District Attorney of Harrison County [District Attorney], Mississippi as set out in ¶'s 9 and 10;

2. Government's Obligations

a. Thereafter, the United States Attorney for the Southern District of Mississippi [U.S. Attorney's Office] will recommend that the Court accept the defendant's plea of guilty.

b. The Defendant has timely notified the U.S. Attorney's Office of her intent to enter a plea of guilty. If the Defendant qualifies for a decrease under U.S.S.G. § 3E1.1(a), and if the Defendant's offense level determined prior to the operation of U.S.S.G. § 3E1.1(a) is a level 16 or greater, the U.S. Attorney's Office will move for an additional one-level decrease in the guidelines in accordance with U.S.S.G. § 3E1.1(b).

c. Should the U.S. Attorney's Office determine that the Defendant has provided substantial assistance to law enforcement officials in an investigation or prosecution other than the investigation and/or prosecution concerning the assault on Jessie Lee Williams, Jr., at the Harrison County Correctional Facility on February 4, 2006 and subsequent cover-up, and has fully complied with the understandings specified in this Agreement, then the government may submit a motion for a reduction in sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure at such time as the Defendant's cooperation is complete. It is understood that, even if such motion is filed, the sentence to be imposed upon the Defendant remains within the sole discretion of the Court. The determination as to whether Defendant has provided substantial assistance shall rest solely within the discretion of the relevant law enforcement agencies involved in conjunction with the U.S. Attorney's Office. The Defendant's cooperation regarding the assault on Jessie Lee Williams, Jr., at the Harrison County Correctional Facility Jail on February 4, 2006 and the subsequent cover-up by law enforcement officers is expected as part of this plea agreement and will not provide the basis for a motion for a reduction in sentence.

3. Counts of Conviction

It is understood that, as of the date of this plea agreement, the Defendant and her attorney have indicated that the Defendant desires to plead guilty to both Counts 1 and 2 of the criminal information.

4. Sentence

The Defendant understands that the penalty for the offense charged in Count 1 of the information, charging a violation of Title 18, United States Code, § 242, is a term of imprisonment of not more than ten (10) years; a term of supervised release of not less than three (3) years; and a fine of up to \$250,000.00. The Defendant further understands that the penalty for the offense charged in Count 2 of the information, charging a violation of Title 18, United States Code, § 4, is a term of imprisonment of not more than three (3) years; a term of supervised release of not more than three (3) years; and a fine of up to \$250,000.00. In the aggregate, the defendant could be sentenced to a term of imprisonment of up to thirteen (13) years; a term of supervised release of not more than five (5) years; and a fine of up to \$500,000.00. The Defendant further understands that a term of supervised release will be imposed and that the term will be in addition to any prison sentence she receives; further, if any of the terms of

supervised release are violated, the Defendant can be returned to prison for the entire term of supervised release, without credit for any time already served on the term of supervised release prior to Defendant's violation of those conditions. It is further understood that the Court may require the Defendant to pay restitution in this matter in accordance with applicable law. The Defendant further understands that she is liable to make restitution for the full amount of the loss determined by the Court to constitute relevant conduct, which amount is not limited to the count of conviction.

5. Stipulations

Defendant will plead guilty because she is in fact guilty of the charges contained in Count One and Count Two of the Information. In pleading guilty, defendant admits and stipulates to the following facts and that those facts establish her guilt beyond a reasonable doubt:

Regina Lynn Rhodes is a former Harrison County Sheriff's Department corrections officer at the Harrison County Adult Detention Center [hereinafter "Jail"]. Rhodes worked at the Jail from May, 2004, through February, 2006. Rhodes was permanently assigned to the Jail's Booking area from in or about December, 2005, through February, 2006. While assigned to the Booking area, Rhodes was occasionally under the direct supervision of Ryan Michael Teel.

While she was assigned to the Booking area, Rhodes observed Teel and other corrections officers engage in a pattern of physical abuse of inmates at the Jail. More specifically, Teel and other corrections officers routinely participated in striking, punching, kicking, choking, and otherwise assaulting inmates in circumstances that did not justify the use of force. Teel regularly encouraged other corrections officers regarding their involvement in this conduct. Additionally, Teel and other corrections officers submitted false, incomplete and misleading jail reports for the purpose of covering up these assaults. Rhodes was aware that Teel and other corrections officers were submitting false, incomplete and misleading jail reports to cover up uses of unnecessary force and failed to report their criminal conduct.

This pattern of physical abuse included an assault by Teel, defendant Rhodes and others, while acting under color of law, on pre-trial detainee Jessie Lee Williams, Jr., on February 4, 2006. During this assault, Teel committed numerous physical acts that were not justified uses of force. These acts included, but were not limited to, Teel

striking, punching, kicking, choking and otherwise assaulting Jessie Lee Williams, Jr., in the head, neck and other areas. These acts were completed at a time when Jessie Lee Williams, Jr. was compliant, when no use of force against Jessie Lee Williams, Jr., was justified. Additionally, Teel continued to assault Jessie Lee Williams, Jr., after Williams was restrained, when no use of force against Williams was justified. Jessie Lee Williams, Jr. lapsed into unconsciousness shortly after these acts and died two days later of trauma-related brain injuries.

Defendant Rhodes, while acting under color of law, participated in the assault on Jessie Lee Williams, Jr., on February 4, 2006, during the time that she knew that no use of force was justified. Defendant Rhodes repeatedly and forcefully struck Jessie Lee Williams, Jr., on his neck, back, and legs while he was restrained. These strikes caused "bodily injury" to Jessie Lee Williams, Jr., as that term is used in Title 18, United States Code, Section 242.

Teel's actions, while acting under color of law, of repeatedly striking Jessie Lee Williams, Jr., in the face and head when no use of force was justified, resulting in bodily injury, and eventually, death, to Williams, constituted a felony pursuant to Title 18, United States Code, Section 242. Defendant Rhodes had knowledge of the commission of that felony, as she personally observed Teel's actions. Defendant Rhodes failed to notify an authority as soon as possible, and committed affirmative acts to conceal the assaults committed by her, Teel and others, to wit: 1) Defendant Rhodes wrote a report on or about February 5, 2006 in which she omitted the fact that Teel had used unnecessary force while acting under color of law against Jessie Lee Williams, Jr., resulting in bodily injury, and eventually, death; 2) Defendant Rhodes affirmatively lied to agents with the Mississippi Bureau of Investigation on February 8, 2006 by falsely claiming that there was no use of unnecessary force under color of law by herself, Teel, or any other officers against Jessie Lee Williams, Jr., on the night of February 4, 2006 when she knew that unnecessary force had in fact been used by herself, Teel and other officers; and 3) Defendant Rhodes affirmatively lied to an agent of the Federal Bureau of Investigation on June 19, 2006 by falsely claiming that there was no use of unnecessary force under color of law by herself, Teel, or any other officers against Jessie Lee Williams, Jr., on the night of February 4, 2006 when she knew that unnecessary force had in fact been used by herself, Teel and other officers.

This statement of facts is provided solely to assist the Court in determining whether a factual basis exists for defendant's plea of guilty. The statement of facts does

not contain each and every fact known to the defendant and to the United States concerning the defendant's and/or others' involvement in the offense conduct and other matters.

6. Forfeitures None.

7. This Agreement Does NOT Bind the Court

It is further understood that the Court, in accord with the principles of Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, is not required to accept the recommendation of the U.S. Attorney's Office, but may sentence the defendant to the maximum fine and imprisonment as provided by law, and the Government has no other obligation in regard to sentencing than as stated in ¶ 2.

8. Determination of Sentencing Guidelines

It is further understood that the United States Sentencing Guidelines are advisory only and that the Defendant and the Defendant's attorney have discussed the fact that the Court must review the Guidelines in reaching a decision as to the appropriate sentence in this case, but the Court may impose a sentence other than that indicated by the Guidelines if the Court finds that another sentence would be more appropriate. The Defendant acknowledges that she is not relying upon anyone's calculation of a particular Guidelines range for the offenses to which she is entering this plea, and recognizes that the Court will make the final determination of the sentence and that she may be sentenced up to the maximum penalties set forth above.

9. Willingness to Cooperate

It is further understood and specifically acknowledged by the Defendant that the consideration for the action by the Government herein is Defendant's representation, by execution of this Plea Agreement and otherwise, that the Defendant both can and will carry out the terms and conditions contained herein.

10. Terms of Cooperation

It is further understood that full cooperation referred to in ¶ 1 includes: (a) immediate and truthful disclosure of all matters involved in these charges to the

appropriate federal agents; (b) truthful and complete disclosure of other matters involving possible violations of federal law to the appropriate federal agency as directed by the U.S. Attorney's Office; (c) truthful testimony at any trial involving any matter arising from these charges, in federal or in state court; (d) truthful testimony before any Grand Jury or at any trial in this or any other district on any matter about which the Defendant has knowledge and which is deemed pertinent to the U.S. Attorney's Office; (e) full cooperation with the U.S. Attorney's Office, with any law enforcement agency designated by the U.S. Attorney's Office, and/or the District Attorney's office; (f) attendance at all meetings at which the U.S. Attorney or the District Attorney requests her presence; (g) provision to the U.S. Attorney's Office, upon request, of any document, record, or other tangible evidence relating to matters about which the U.S. Attorney's Office, any designated law enforcement agency, and/or the District Attorney inquires of her; and (h) an obligation on the part of the Defendant to commit no further crimes whatsoever.

11. Limits on Further Prosecution

It is further understood that the U.S. Attorney's Office and the District Attorney will seek no further criminal prosecution of the Defendant for any acts or conduct by the Defendant as of the date of this Agreement, arising out of any event covered by the criminal information referenced in ¶ 1, if the Defendant voluntarily, truthfully, and completely discloses all information and knowledge that the Defendant possesses. Should the Defendant not voluntarily and completely disclose, then as to that matter, the U.S. Attorney's Office and/or the District Attorney is free to seek prosecution of the Defendant. This Plea Agreement does not provide any protection against prosecution for any crimes except as set forth above.

12. Breach of this Agreement

It is further understood that should the Defendant fail or refuse as to any part of this Plea Agreement or commit any other crimes, the representations by the United States or the District Attorney in ¶'s 2 and 11 above are rescinded, and the Defendant's breach shall be considered sufficient grounds for the pursuit of any prosecutions which the U.S. Attorney's Office or the District Attorney has not sought as a result of this Plea Agreement, including any such prosecutions which might have been dismissed or otherwise barred by the Double Jeopardy Clause.

If the defendant fails to fulfill her obligations under this plea agreement, the United States may seek release from any or all its obligations under this plea agreement. If the defendant fails to fulfill her obligations under this plea agreement, the defendant shall assert no claim under the United States Constitution, any statute, Rule 410 of the Federal Rules of Evidence, Rule 11(e)(6) of the Federal Rules of Criminal Procedure, or any other federal rule, that defendant's statements pursuant to this agreement or any leads derived therefrom, should be suppressed or are inadmissible. Whether the defendant has breached any provision of this plea agreement, if contested by the parties, shall be determined by the Court in an appropriate proceeding at which the defendant's disclosures and documentary evidence shall be admissible and at which the United States shall be required to establish a breach of the plea agreement by a preponderance of the evidence.

13. Binding Effect on this Federal District or upon the District Attorney

It is further understood that this Plea Agreement does not bind any other state or local prosecuting authorities or any other federal district, except as otherwise provided herein; further, this agreement does not bind the Attorney General of the United States in regard to any matter, civil or criminal, involving the tax statutes of the United States.

14. Financial Obligations

It is further understood and specifically agreed to by the Defendant that, at the time of the execution of this document or at the time her plea is entered, the Defendant will then and there pay over the special assessment of \$100.00 per count required by Title 18, United States Code, § 3013, to the Office of the United States District Court Clerk; the Defendant shall thereafter produce proof of payment to the U.S. Attorney's Office or to the U.S. Probation Office. If the defendant is adjudged to be indigent, payment of the special assessment at the time of the plea is waived, but the Defendant agrees that it may be made payable first from any funds available to the Defendant while she is incarcerated. The Defendant understands and agrees that, pursuant to Title 18, United States Code, § 3613, whatever monetary penalties are imposed by the Court will be due and payable immediately and subject to immediate enforcement by the United States as provided in § 3613. Furthermore, the Defendant agrees to provide all of her financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination. If the Court imposes

a schedule of payments, the Defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation upon the methods, available to the United States to enforce the judgment. If the Defendant is incarcerated, the Defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program regardless of whether the Court specifically directs her participation or imposes a schedule of payments.

15. Further Crimes

It is further understood that should the Defendant commit any further crimes, this Plea Agreement shall be deemed violated and she shall be subject to prosecution for any federal or state criminal violation of which this office has knowledge, and that any information provided by her may be used against her.

16. Waivers

The Defendant, knowing and understanding all of the matters aforesaid, including the maximum possible penalty which could be imposed, and being advised of her rights to remain silent, to a trial by jury, to subpoena witnesses on her own behalf, to confront any witnesses against her, and to appeal her conviction and sentence, in exchange for the recommendations and concessions made by the U.S. Attorney or the District Attorney in this plea agreement, hereby expressly waives the above rights and the following:

a. the right to appeal the conviction and sentence imposed in this case, or the manner in which that sentence was imposed, on the grounds set forth in Title 18, United States Code, § 3742, on any ground whatsoever; and

b. the right to contest the conviction and sentence or the manner in which the sentence was imposed in any post-conviction proceeding, including but not limited to a motion brought under Title 28, United States Code, § 2255, and any type of proceeding claiming double jeopardy or excessive penalty as a result of any forfeiture ordered or to be ordered in this case; and

c. any right to seek attorney's fees and/or costs under the *Hyde Amendment*, as codified in Title 18, United States Code, § 3006A, and the Defendant acknowledges that the government's position in the instant prosecution is not merely

frivolous, vexatious, or undertaken in bad faith; and

d. all rights, whether asserted directly or through a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought by her or by her representative under the Freedom of Information Act, set forth at Title 5, United States Code, § 552, or the Privacy Act of 1974, at Title 5, United States Code, § 552a.

e. The defendant further acknowledges and agrees that any factual issues regarding her sentencing will be resolved by the sentencing judge under a preponderance of the evidence standard, and the Defendant waives any right to a jury determination of these sentencing issues. The Defendant further agrees that, in making its sentencing decision, the District Court may consider any relevant evidence without regard to its admissibility under the Rules of Evidence applicable at trial.

The Defendant waives these rights in exchange for the recommendations and concessions made by the United States Attorney and the District Attorney in this agreement.

17. Future Contact with the Defendant

The Defendant and her attorney acknowledge that if forfeiture, restitution, a fine, or special assessment, or any combination of these is ordered in the Defendant's case, that this will require regular contact with the Defendant during any period of incarceration, probation, and supervised release. Further, the Defendant and her attorney understand that it is essential that defense counsel contact the Financial Litigation Unit of the U.S. Attorney's Office immediately after sentencing in this case to confirm in writing whether defense counsel will continue to represent the Defendant in this case and in matters involving the collection of the financial obligations imposed by the Court. If the U.S. Attorney's Office does not receive any written acknowledgment from defense counsel within two weeks of entry of judgment in this case, the U.S. Attorney will presume that defense counsel no longer represents the Defendant and the Financial Litigation Unit will communicate directly with the Defendant regarding collection of the financial obligations imposed by the Court. The Defendant and her attorney understand and agree that such direct contact with the Defendant shall not be deemed an improper *ex parte* contact with the Defendant if

defense counsel fails to notify the U.S. Attorney's Office of any continued legal representation within two weeks after the date of entry of the judgment in this case.

18. Complete Agreement

It is further understood that this Plea Agreement completely reflects all promises, agreements, and conditions made by and among the United States Attorney's Office for the Southern District of Mississippi, the District Attorney, and the Defendant.

Defendant and her attorney of record declare that the terms of this plea agreement have been:

1. READ BY OR TO HER; 2. EXPLAINED TO HER BY HER ATTORNEY; 3. UNDERSTOOD BY HER; 4. VOLUNTARILY ACCEPTED BY HER; and 5. AGREED TO AND ACCEPTED BY HER.
